Judges Who  
Understand and  
Defend those who are helpless has  
Great power and  
Expertise of the law.

Power over the bad people can  
Acquit the innocents and  
Object to injustice.

“Judge Pao Judge Pao”, Pleads The man,  
“Understand that the bad guys will die.”  
“Dear Judge Pao,” said the woman,  
“Grudges doesn’t mean you chop off people’s heads  
Even if they stole mooncakes or bread.”

“Pow! Pow! Pao!”  
“Argue not!” Said Judge Pao  
“Oh, Go to jail!”
